The Company has incurred a loss of ₹ 659.67 lakhs for the year ended 31st March 2022, indicating the existence of uncertainty that may cast doubt about the Company's ability to continue as a going concern. Considering the matters set out in the said note, these Financial Statements are prepared on a going concern basis.

Our opinion is not modified in respect of the above matters.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no key audit matters to communicate other than the matters those are described under the heading Emphasis of Matter.

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Annexure B referred to in Paragraph (II)(f) under the heading of “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of Eastern Silk Industries Limited on the standalone Ind AS Financial Statements for the year ended 31st March 2022.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Eastern Silk Industries Limited (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI".

Eastern Silk Industries Limited (referred to as "the Company" hereinafter) was incorporated under the laws of the Republic of India with its registered office at 19, R.N Mukherjee Road, Kolkata 700001. The Equity Shares of the Company are listed on the National Stock Exchange (NSE). The Company is engaged in the manufacture of silk yarn, fabrics and made-ups, home furnishings, fashion fabrics, handloom fabrics, double width fabrics, scarves, laces and belts, and embroidered fabrics.

### B. SIGNIFICANT ACCOUNTING POLICIES

#### i) **Basis of preparation and presentation of financial statements in compliance with Ind AS.:**

The financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, as applicable.

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell;
- 3) defined benefit plans - plan assets measured at fair value;

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

**Level 1** inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

**Level 2** inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

**Level 3** inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act. All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

#### ii) **Functional and presentation Currency**

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency. All financial information presented in Rupees has been rounded to the nearest lakhs with two decimals.

#### iii) **Use of Estimates :**

The preparation of financial statements requires estimates and assumptions to be made based on the current working that affect the reported amount of assets and liabilities (including contingent liabilities) on the date of financial statements and the reported amount of revenues and expenses for the reporting period. Difference between the actual and the estimates, if any, are accounted for in the period in which such differences are known/materialized.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year:

- a) **Useful life of property, plant and equipment:** The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This assessment may result in change in the depreciation expense in future periods.
- b) **Deferred tax assets:** The carrying amount of deferred tax asset is reviewed at each reporting period and is reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
- c) **Employee Benefits:** The cost of defined benefit plans are determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, expected rates of return on assets, future salary increases, mortality rates and future pension increases. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.

## **Notes to Ind AS financial statements for the year ended 31<sup>st</sup> March, 2022**

- d) **Trade Receivables:** Furthermore, the management believe that the net carrying amount of trade receivables is recoverable based on their past experience in the market and their assessment of the credit worthiness of debtors at at Balance Sheet date. Such estimates are inherently imprecise and there may be additional information about one or more debtors that the management are not aware of, which could significantly affect their estimations.
- e) **Provisions & Liabilities:** Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.
- f) **Contingencies:** In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

iv) **Property, plant and equipment:**

Property, plant and equipment are stated at its purchase price including direct expenses, finance cost till it is put to use net of recoverable taxes. If the Property, plant and equipment are revalued then they are stated at revalued amount. Accumulated depreciation, impairment loss, if any, is reduced from the Property, plant and equipment and shown under the net asset value on the reporting date. The cost including additions, improvements, renewals, revalued amount and accumulated depreciation of assets which are sold and/or discarded and/or impaired, are removed from the fixed assets and any profit or loss resulting there from is included in the Statement of Profit & Loss and the residual value of the revalued amount is withdrawn from such reserves created for the purpose through Other Comprehensive Income.

Capital Work in progress includes cost of property, plant and equipment under installation/under development as at the Balance Sheet date.

v) **Leased Assets :**

On account of adoption of Ind AS 116, the company as a lessee has reclassified the leasehold land as Right of Use Assets "ROU Asset". The Company depreciates the right-of-use asset on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when any indicators exist.

However, earlier to adoption of Ind AS 116, Leased assets are stated at premium paid on such assets. Rentals, if any, are expensed with reference to the lease terms and other conditions. No amortization of the lease premium in respect of Land is done in cases where conditions are stipulated for conversion from leasehold to freehold.

vi) **Depreciation methods, estimated useful lives and residual value :**

Depreciation is calculated on all the Property, plant & equipment's based on the method prescribed under Schedule II of the Companies Act, 2013. Depreciation on the assets hitherto calculated on Written Down Value/Straight Line method is charged based on the remaining useful life of the assets as prescribed under the Act. Depreciation on assets added w.e.f. 01<sup>st</sup> April, 2014 is provided as per Straight Line Method on the basis of useful life of the assets as prescribed under the said Schedule and on pro rata basis. Depreciation on the assets disposed off/impaired during the year is provided on pro-rata basis.

Depreciation on the revalued assets (if any) is calculated at the rates prescribed under Schedule II of the Act and such depreciation is adjusted through Other Comprehensive Income & Revaluation Surplus.

The estimated useful lives of assets are as follows:-

Particulars	Estimated life of assets
Building	60 years
Factory Building	30 years
Plant & Machinery	15 years
Motor Car	8 years
Two-wheelers	10 years
Computer Hardware	3 years

### **vii) Impairment of Assets:**

Value in use is computed at net present value of cash flow expected over the balance useful life of the assets. An impairment loss is recognized as an expense in the Statement of Profit & Loss in the year in which an asset is identified as impaired. In case of impaired revalued assets, the impaired loss on the residual value is withdrawn from such reserves created for the purpose through Other Comprehensive Income. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

### **viii) Foreign Currency Transactions & Translations :**

- 1) The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.
